

Nagarjuna Vidyaniketan

Where the future lives as present,
So relating to that try doing this

About Cambridge Program

At Nagarjuna Vidyaniketan, we prioritize your child's growth and development. Our international collaborations, including a partnership with Cambridge International Examinations (CAIE), create a unique and engaging learning environment that fosters informed curiosity. This offers children hands-on opportunities to gain a comprehensive understanding of the world.

Give your child the chance to learn and grow with the best, as they become tomorrow's leaders

Choose The Best

With our guidance, your child can learn to live life to the fullest. We adopt practices that help children continually pursue knowledge and become lifelong learners.

Teaching and Learning

As research shows that good learning habits matter, we encourage our students to reflect on their learning to make them be able to build on their experience and plan ahead.

Effective Schooling

We integrate ever-evolving teaching methods with invigorating co-curricular to promote innovative learning. We keep our classes to a 20:1 teacher-to-student ratio to ensure each student gets the attention they deserve.

International Recognition

We work closely with universities, employers, and governments, sharing our expertise and trying to understand their educational challenges to work together to ensure a smooth progression for our students.

Admissions Open

“Help your child realize their inner potential. Guide them to flourish through holistic learning in an institute with state-of-the-art facilities. Nagarjuna Vidyaniketan is dedicated to creating a memorable schooling experience.

Sample Like This

Which curriculum is the school affiliated to?

Nagarjuna Vidyaniketan is affiliated to the Cambridge and CBSE curriculum.

When does the Admission process begin?

The admissions process begins from the month October every year for the upcoming academic year.

Can I know the fee structure?

We request you to kindly walk-in to understand the same, as we would be able to explain the teaching/learning methodologies and how the Happy Minds module helps us in nurturing happy children.

The Team

Establishing everlasting peace is the ultimate aim of education. Dreams pass into the reality of action. From actions, stems the dream again, this interdependence produces the highest form of living.' Socially committed and responsible citizens are the true asset of a country. The role of a school is to instil in the minds of the student's self-respect, respect for others, devotion to your motherland and most important concern for Mother Earth. We wish to induce in them the energy to act for a better world and inspire them to work with enthusiasm to realize that dream. In order to achieve this, we constantly strive to create a culture that is a partnership of support and care, while incorporating a love for learning and laughter. We acknowledge and support diversity within our community and focus on the values of respect, responsibility and integrity.
