## LET'S HAVE A LITTLE RESEARCH ON TREES:

### Question 1)

I produce acorns that squirrels love to eat. What type of tree am I?

### Question 2)

I am the tallest tree in the world. What tree am I?

### Question 3)

What is the age of the oldest living tree on earth?

### Question 4)

Where can you find the oldest living tree?

### Question 5)

What do you call a tree that doesn't lose its leaves in the fall?

### Question 6)

Which season does the tree's leaves turn from green to red, orange, or yellow?

### Question 7)

What type of gas do trees and other plants produce that is helpful to humans?

### Question 8)

Which is the fastest growing tree?

### Question 9)

How many (estimated) trees are living on earth?

### Question 10)

I am a type of tree that can grow in salty water, you can find me along rivers and shores. What tree am I?
